

PDF reading example

Read pages, browse headings, and follow links.

This example contains five pages.

Read and ask

Select text to ask about a passage.

Answers can link to their source page.

Organize your documents

Add tags and stars to find documents.

Your reading position is saved.

PDF and Markdown

PDF uses pages; Markdown uses headings.

Both formats can be kept in the same library.

Try a document question

Ask for a short summary of this page.

Use the source links to check an answer.
